## **GÖRG advises Turck duotec with regard to its investment in Quantum Technologies®**

GÖRG has advised the E<sup>2</sup>MS provider Turck duotec GmbH with regard to its investment in Quantum Technologies® UG, a high tech start-up headquartered in Leipzig.

Quantum Technologies has developed a quantum-based and microwave-free magnetic field sensor suitable for numerous fields of application that works under most adverse conditions.

As strategic investor and partner Turck duotec contributes to the development of a market-ready quantum sensor for the commercial use.
