WirtschaftsWoche recognizes GÖRG as TOP Law Firm 2024 for Public Procurement Law and Environmental and Construction Planning Law

GÖRG has been recognized as a TOP Law Firm in 2024 for procurement law as well as environmental and construction planning law. The magazine WirtschaftsWoche, in collaboration with the Handelsblatt Research Institute (HRI), identified the most prestigious law firms and lawyers in these two legal fields through an independent jury.

In the field of public procurement law, GÖRG partner Dr Kai-Uwe Schneevogl (Frankfurt) and Kersten Wagner-Cardenal (Hamburg) were also recommended as TOP Lawyers 2024, while Kristina Birgitta Groß, Associate Partner at the Hamburg office, was recognised as TOP Lawyer for environmental and construction planning law.

For this ranking the Handelsblatt Research Institute surveyed more than 2,200 lawyers from 179 law firms for WirtschaftsWoche about their most renowned colleagues in public procurement law and environmental and construction planning law. A jury then assessed the selected law firms.
