GÖRG advises AI.FUND on investment in AI provider MindPeak

GÖRG has advised AI.FUND on its investment in the AI company MindPeak as part of a Series A financing round with a total volume of 15.3 million US dollars.

The financing round was led by ZEISS Ventures, Hamburg-based IFB Innovationsstarter GmbH (InnoVentureFonds) and the European Innovation Council Fund. The financing is intended to help strengthen product development for AI-supported histopathological examinations and to further expand the commercialisation of the technologies in several regions.

AI.FUND is an AI-specialised, entrepreneurial venture capital fund based in Hamburg that invests in future European AI champions to promote impactful AI 'made in Europe'.

MindPeak GmbH, founded in 2018, develops state-of-the-art algorithms that support pathologists in routine diagnostics, with a focus on automating tissue analysis for faster and more accurate results.

GÖRG provided comprehensive legal advice to AI.FUND on this investment, under the leadership of Hamburg partner Prof Dr Stephan R. Göthel.

Prof Dr Stephan R. Göthel advises companies from a wide range of industries, from start-ups to market leaders, as well as investors, on M&A, private equity/venture capital and corporate law. Stephan R. Göthel has extensive experience in national and international M&A transactions, joint ventures, corporate financing as well as management and employee participations.
